

Proficiency in the English Language & Education pre-requisites

1. International students are required to demonstrate a satisfactory level of English proficiency in order to cope with their course. The minimum Entry Level Requirement is a 4.5 IELTS Band score for Certificate II and III courses and 5.5 IELTS Band score for Certificate IV Courses.
2. International Students who do not have access to an IELTS testing centre in their home country can access an on-line English Proficiency Test via our Partner college – (**Language Links – Education & Training College**) who will provide you with an estimated English Proficiency level.
3. International students, whose English proficiency level does not meet the pre-requisites for entry into their course at Flowers Design School, may choose to undertake an English Language Course in Australia at **Language Links – Education & Training College**.

Please Note: **FDS** recognises **Language Links'** English Language qualifications as meeting entry requirements, therefore, no IELTS test score will be required when articulating into courses between these two institutions.

*For further information on **IELTS (International Language testing system)** please see the following website :*
