12 month	\$ 315.00	\$ 630.00

- **Library books:** are available to hire for current students at a rate of A\$ 5.00 per week per book.
- **Flowers:** A crucial part of the learning process is to learn and build competence in successfully selecting suitable fresh flowers and sundries items from the wholesalers. Flowers Design School offers to all international students a free fieldtrip and an in depth induction on how and where to buy fresh flowers and sundries items.

The cost of flowers is **not included** in the cost of the training program. Certificate II in Floristry has 34 practical sessions and Certificate III has 50 practical sessions where fresh flowers are needed. We recommend to budget approx. \$ 30.00 – 40.00 per session for flowers and sundries, however as International students are training more intensively lot's of fresh materials can be recycled.

Our **general recommendation for the Cost of Flowers** and sundries for a Certificate II (WRF20104) is approx. \$ 1000.00 during the study time and for a Certificate III WRF30104) **including** all Certificate II modules is approx. \$ 2950.00. Please keep in mind that this is an approximate and average cost.
