

Lifestyle in Western Australia

Perth, the capital of Western Australia, is a beautiful clean city accommodating approx 1 million people, located on the banks of the Swan River. It is surrounded by beautiful parklands and magnificent ocean beaches. The sports enthusiasts will find excellent facilities for golf, fishing, wind surfing, tennis, horse riding and scuba diving. There is a wide range of restaurants and all types of food are readily available in supermarkets. Students will find the people in this multi-cultural city both friendly & helpful to visitors from another country. Perth has a Mediterranean climate, in summer (Nov-March) the daily average temperature is approx 30°C and in winter (June-Sept) the climate is cool and wet with an average temperature of approx 20°C. Light, cool clothing is required in summer and warmer clothing is required in the winter months. Perth is in a similar time zone to most Asian countries and is a favoured destination for International students.
